Will Likely Build New School  
in Lyman District.

Plan Better Than Adding to  
Old Building.

## CELEBRATE GOLDEN WEDDING

Came From Norway to America  
in Early Days.

Indications are that a new school building will be built in the Lyman school district. This plan will likely take the place of repairing and adding to the old building. The matter will be definitely settled after the report of the school census in June. Hitherto, the people of the district had talked of enlarging the school. Lately, however, opinion has been that instead of spending any money on improvements in the way of new rooms, it would be more economical in the long run to build a new school. The Lyman school is one of the oldest schools in Shawnee county. The enrollment has been on the increase for the past two years and has been increasing so rapidly that the school is crowded.

Speaking about the proposition, Wm. Dransfield, a former member of the board and prominent taxpayer of the vicinity, said this afternoon: "The heaviest taxpayers of the Lyman district are now saying that it would be better to erect a new school than to spend any more money on enlargements or repairs. So many people are moving into the Lyman tract and so many more are expected that we feel that a new building is a necessity."

Mr. and Mrs. Ernest Ettrheim of 1408 Polk street, parents of Mrs. E. L. Gertz of 1164 North Kansas avenue, celebrated their golden wedding at their home last night. The couple came to America from Bergen, Norway, 44 years ago, and have lived in Topeka for over 40 years. Mr. Ettrheim is the oldest plumber in Topeka. They are grandparents of Alfred E. Ogden, a well known California writer.

At the party last night the guests were served dainty refreshments by Mrs. A. S. Ettrheim, Mrs. Ernest Ettrheim, H. L. Hunter and Miss Janet Thompson. Those present included Dr. and Mrs. S. J. Crumline, Mr. and Mrs. Ryan Davis, Mr. and Mrs. H. L. Groff, Mr. A. F. Ettrheim of Albuquerque, N. M., Mr. H. A. Ettrheim of El Paso, Tex., Mr. and Mrs. A. E. Blythe, Mr. and Mrs. J. W. Hollinger and son and daughter, Mr. and Mrs. Fred Whittier, Miss May Whittier, Mr. and Mrs. Ed Johns, Mr. and Mrs. Fred Johns, Mr. and Mrs. Diemler, Mr. and Mrs. C. V. Deyo, Mr. and Mrs. J. F. Billings, Mr. and Mrs. E. Sewell, Mrs. J. M. Faulkner, Mr. and Mrs. W. R. Johnson, Mr. and Mrs. D. Johnson, Mrs. H. H. Hunter, Miss Katherine Crumline, Miss May Whittier, Miss Janet Thompson, Miss Vena Thompson, Miss Marna Hardy, Miss Eunice Ettrheim, Mr. Glen Theakston and Mr. William Smith.

**Notes and Personal.**  
The deep plowing demonstration conducted by J. H. Fouch at the J. H. Skinner farm, northwest of Topeka, Monday afternoon was attended by about fifty farmers. Mr. Fouch wanted to prove that farmers do not plow deep enough to insure good crops and so plowed a sample patch of ground deeper than is generally done—a depth of from twelve to twenty inches.

A male chorus will be organized at the Kansas avenue church tonight. Albert T. Reid, cartoonist and owner of the Mail and Breeze, will address the meeting of the Pleasant Ridge grange Saturday night. T. A. Borman will talk on the subject of silos.

The R. N. A. camp No. 55 will meet at the home of Mrs. Savage, 411

## DOCTORS ADVISE OPERATIONS

Saved by Lydia E. Pinkham's  
Vegetable Compound.

Swarthmore, Penn.—"For fifteen years I suffered untold agony, and for one period of nearly two years I had hemorrhages and the doctors told me I would have to undergo an operation, but I began taking Lydia E. Pinkham's Vegetable Compound and am in good health now. I am all over the Change of Life and cannot praise your Vegetable Compound too highly. Every woman should take it at that time. I recommend it to both old and young for female troubles."—Mrs. EMILY SUMMERSGILL, Swarthmore, Pa.

Baltimore, Md.—"My troubles began with the loss of a child, and I had hemorrhages for four months. The doctors said an operation was necessary, but I dreaded it and decided to try Lydia E. Pinkham's Vegetable Compound. The medicine has made me a well woman and I feel strong and do my own work."—Mrs. J. R. PICKING, 1260 Sargeant St., Baltimore, Md.

Since we guarantee that all testimonials which we publish are genuine, is it not fair to suppose that if Lydia E. Pinkham's Vegetable Compound has the virtue to help these women it will help any other woman who is suffering in a like manner?

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

### AFTER DOWIE'S BODY

Widow Hires Detectives to Guard His Grave.

Chicago, April 23.—Mrs. Jane Dowie, widow of the late Dr. John City and general overseer of the Christian Catholic church in Zion, having heard that a movement was on foot to remove the body of her husband from its grave to a mausoleum, has engaged detectives to prevent the desecration of his grave. Wilbur Glen Voliva, successor to Dr. Dowie in Zion City, announced last night, it is said, that he had planned the erection of a mausoleum near Shiloh tabernacle, in which was to be placed the body of the former leader. It was his idea, he said, to arrange pilgrimages to the mausoleum annually on the feast of the passover. The body of the former leader was reposed in a grave in the cemetery at Zion City, marked only by an unengraved tombstone.

### TAGS AT BALL GAME.

Barbed Wire Fence Surrounds Prison Ball Park.

Leavenworth, Kan., April 23.—The tag system is to be used at the Lansing baseball park this season. As the park is fenced with barbed wire, it would seem that any attempt on the part of the management to collect a fee to witness the games would fail, and heretofore it has failed. It remained for Bill Higgins, manager, however, to hit upon a scheme whereby the public would be compelled to do its part toward paying the expenses of the team. The fans in return for fifteen cents will be given a
